

Experiment -2

Property Buying & Rental System Using Zoho One (SaaS)

Aim

To create a **Property Buying & Rental System** using **Zoho One** as a cloud-based **Software as a Service (SaaS)** application.

Procedure

1. Log in to the **Zoho One** cloud platform.
2. Open **Zoho Creator** from the Zoho One applications.
3. Create a new application named **Property Buying & Rental System**.
4. Create a new form named **Property Details**.
5. Add the required fields:
 - a. Customer Name
 - b. Phone
 - c. Email
 - d. Transaction Type
 - e. Property Type
 - f. Area
 - g. Location
 - h. Property Value
 - i. Rental Value
 - j. Rental Agreement
 - k. Property Status
6. Configure the field types according to the data required.
7. Add **Buy** and **Rent** options under Transaction Type.
8. Add **Residential, Commercial, Apartment, Villa, Independent House, and Plot** under Property Type.
9. Add Chennai locations such as **Chennai, Tambaram, Porur, Avadi, Poonamallee, Sriperumbudur, OMR, Velachery, and Guindy**.
10. Add the **Property Value** and **Rental Value** fields to store the corresponding property costs.
11. Add the **Rental Agreement** field with **Yes/No** options.

12. Add the **Property Status** field with options such as **Available, Booked, Sold, and Rented**.
13. Design and arrange the form for easy user interaction.
14. Save and publish the form.
15. Enter sample property details into the form.
16. Submit the form and verify that the entered data is stored in the cloud.
17. Open the report and verify the submitted property record.
18. Test the application by entering different **buying and rental property details**.
19. Verify that the **Property Buying & Rental System** works successfully as a SaaS application.

Implementation

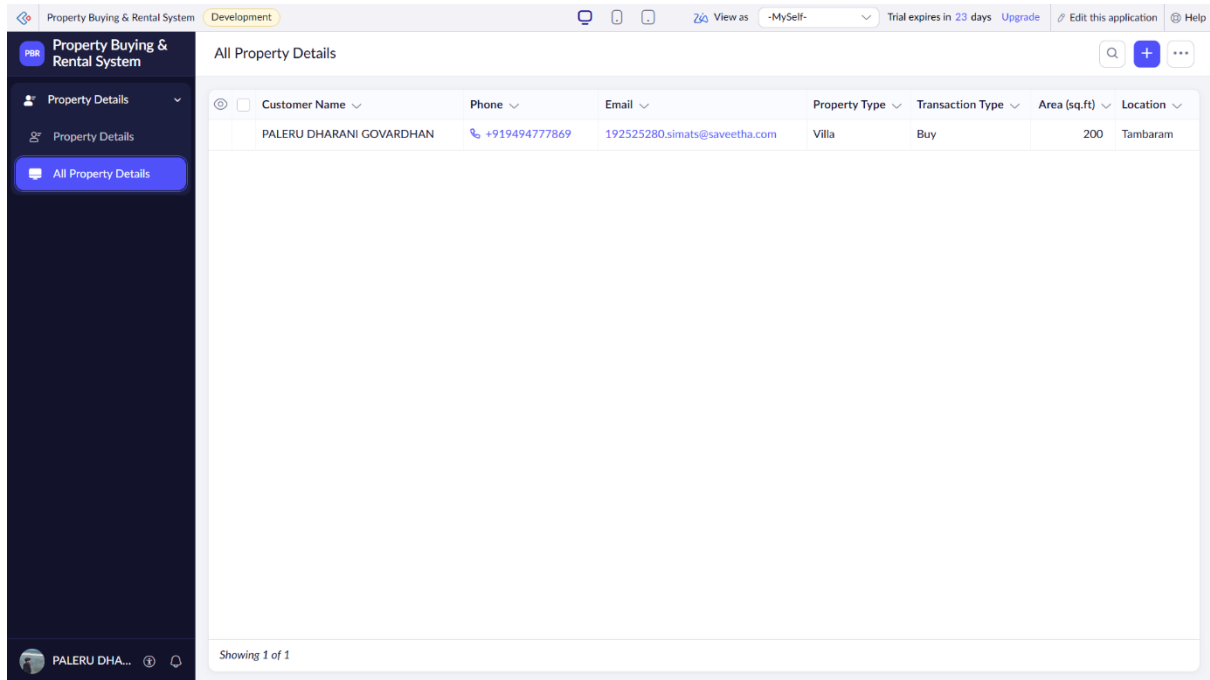

Input:

The screenshot displays the 'Property Details' form within the 'Property Buying & Rental System' application. The interface is in 'Development' mode, as indicated by the top bar. The form is titled 'Property Details' and contains the following fields and options:

- Customer Name ***: Split into 'First Name' (PALERU) and 'Last Name' (DHARANI GOVAR).
- Phone ***: Country code (+91) and number (9494777869).
- Email ***: 192525280.simats@saveetha.com
- Property Type**: Villa (dropdown menu).
- Transaction Type**: Buy (selected radio button), Rent (unselected radio button).
- Area (sq.ft)**: 200
- Location**: Poonamallee (dropdown menu).
- Property Value**: 20,00,000
- Rental Value**: 20,000
- Rental Agreement**: Yes (selected radio button), No (unselected radio button).
- Property Status ***: Available (dropdown menu).

A 'Submit' button is located at the bottom right of the form. The left sidebar shows the application's navigation menu with options like 'Property Details' and 'All Property Details'. The bottom status bar shows the user 'PALERU DHA...'.

Output:

Property Buying & Rental System
